

Fabulous Fundraising!

Last week we had an amazing coffee morning for Macmillan. The children helped to count the money raised and we are very proud to share that this came to the very impressive amount of £199.40!

We used our knowledge of light to create our own periscopes. You had to make sure that you were very careful with the angles otherwise you can't actually see. It is so clever how we use reflection every day and don't even know it!

Y6 author visit – Stew Foster. Children are invited to buy a signed copy of his book for £7 (Children from Y5 can purchase a book if they wish)

Brown Vs The Board of Education!

Did you know?
Brown v. Board of Education was one of the cornerstones of the civil rights movement? The Supreme Court ruled that racial segregation of children in school was no longer allowed.

In Year 5, we have been learning about schools in the 1950s in America. We were shocked to learn that black and white children were segregated. As a class, we took part in a debate. We discussed the Brown vs. Board of Education case and debated its apparent successes and failures. Isla thought that despite its successes it was shocking that even after the case was victorious, many schools ignored the new integration laws. Sam strongly believed it was a success as all children were allowed to access the same education together.

ATTENDANCE

Attending school is compulsory for all children and we have a duty to ensure that all our children are attending school regularly and on time. Please check the school website for term dates and ensure that holidays are not booked in term time. Term time holidays are not authorised, and penalty notices are issued when they are taken.

Merseyside Fire Brigade has some new recruits!

Some of our Y5 children have been very busy taking part in 'mini firefighters' – a programme organised and delivered by Merseyside Fire Service. This is the second year that we have taken part and the children are having an amazing time.

It is great to see the children developing such good teamwork skills. They had so much fun doing the 'rat run' and I am very proud of the way they are representing our school.
Miss Healing

STRIVE FOR FIVE – We encourage all of our children to 'strive for five' and read 5 times at home during the week. Reading at home is important for every child. It is also important for our children to be read to at home – we read to the children daily at school and it is one of their favourite times of the day! Please support your child with reading at home and ensure that they bring their book to school daily.

Milkshake Monday for our Y3/4 Strive for Five crew!
