

## Food, Glorious Food

Years 3 and 4 had a vegetable-packed day this week as part of their work in DT. The staff prepared for the day by each making a homemade vegetable soup for the children to taste test! With their taste buds well and truly tickled, they then set about making their own soup. They thought carefully about their ingredients and used their knowledge of knife safety when preparing the veg.

I don't like tomato soup but this one tastes great – Lennon  
The soup we made together was my favourite of the day - Leuan

### Dates for your diary

**18/10/2022**

Y6 author visit – Stew Foster.

Y4 author zoom – Tom Palmer

**19/10/2022**

PGL trip

The mystery soup tasted creamy. I didn't think I would like trying the soup but I did!

## Open Eye Gallery

Mrs Kemp has worked closely with the open eye gallery to deliver a joint project on trees. This week, some of our children had the opportunity to visit again and share snippets of the writing and photography work that they completed. A great opportunity for all involved. Thanks to all of the staff involved in this project.

### ATTENDANCE

Attending school is compulsory for all children and we have a duty to ensure that all our children are attending school regularly and on time. Please check the school website for term dates and ensure that holidays are not booked in term time. Term time holidays are not authorised, and penalty notices are issued when they are taken.

## Portraits in the style of Arcimboldo

Nursery have been busy learning all about 'our bodies' this week. They have learnt the names of body parts and some new vocabulary such as 'blink' and 'unique'. Their learning in science links well with their artist for this half term, Guiseppe Arcimboldo. The children used fruit to design their self-portraits!

**STRIVE FOR FIVE** – We encourage all of our children to 'strive for five' and read 5 times at home during the week. Reading at home is important for every child. It is also important for our children to be read to at home – we read to the children daily at school and it is one of their favourite times of the day! Please support your child with reading at home and ensure that they bring their book to school daily.
